# Cell EXPLORERS UL Fantastic DNA School Roadshow 2016

Schools visited by Cell EXPLORERS University of Limerick team

Map of Cell EXPLORERS UL Fantastic DNA school visits 2016

24 Volunteers

5 Schools

including 2 UL Campus visits

7 Classes

148 Children

64 Children Feedback

1 Teacher Feedback

## Children's feedback

The session was well organised

I understood the presentation

I understood each step in the experiment

My demonstrator was helpful

Percentage of total responses (28)

The science session was very fun and I really enjoyed it!

I wish we could of done more experiments and I really enjoy it. Thank you :)

I had really good fun and I would love if you came back

## What new thing did you learn about science? (Top 3 answers)

About how scientists work and think

Science can be realy fun instead of boring

Facts from DNA experiment/presentation

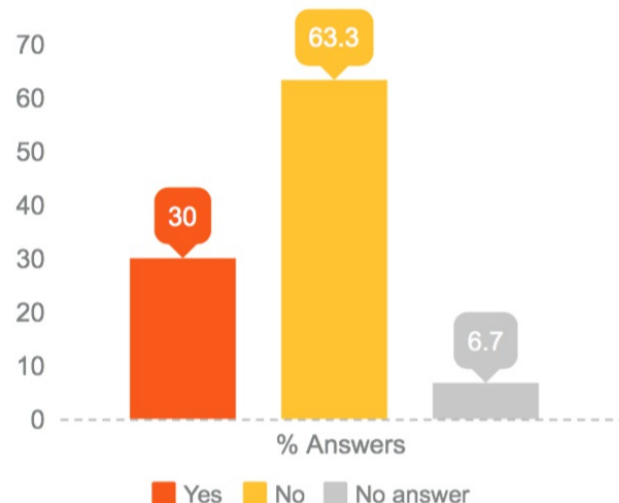

It is fun/interesting

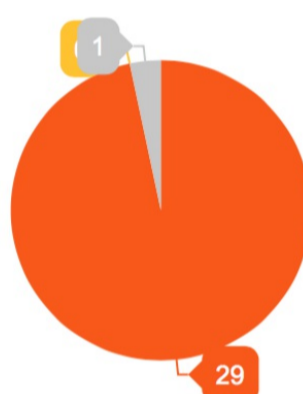

Science is how you make and create things which could be hard or either fun or even both but you mostly should focus first

## Meeting scientists

Had you met a scientist before?

Did you like meeting the Cell EXPLORERS scientists?

Yes (96.67%) No (0%) No answer (3.33%)

I liked meeting Cell EXPLORERS scientists because:

"It was really cool meeting actual scientists and wearing lab coat"

"They taught us alot and it made science fun"

"they have fun with their job"

Most common respond to Why did you like meeting the Cell EXPLORER scientist?

They taught me something new

## Teacher's feedback

"It was really well organised. Presented in a lovely manner that really engaged the children."  
"Cell EXPLORERS had equipment for each child including all the little bags, science coats etc. You are lucky to have these resources. Other visitors can't usually provide due to cost"
